Methodology:

Data from multiple sources and highest focus on quality

We compile our data from multiple sources, such as publicly available financial statements, SEC filings, company reports, investor presentations, company websites and audited financials for public companies. We are sharply focused on providing the highest quality information and analysis. We have a team of research experts who specialize in meticulous review of multiple sources for the best, most comparable and easy-to-access data. We have defined quality standards which help us collect the relevant information across companies.
